

**TOUCH & GRIP WITH ESD**

# TOOL MANUFACTURER

## TOOL HANDLES

### AVIENT SOLUTION

Stat-Tech™ Thermoplastic Elastomer

### WHY AVIENT?

- Provided a solution with permanent antistatic properties and excellent tear resistance, enhancing durability
- Met required hardness range, giving handle excellent grip
- Simplified manufacturing process with excellent adherence directly onto PP substrate

### LEARN MORE

### KEY REQUIREMENTS

- Electrical resistivity of 100 MΩ, ESD
- Hardness of 90 Shore A or higher
- Suitable for OM onto PP
- White color
